

Prescription Assistance Program

Get your **NO COST** prescription drug discount card and start saving today!

This neighborhood pharmacy program assures all participants the lowest discount price on brand name and generic prescription drugs, **average savings of 23%**, with potential savings of up to 50% (based on national program savings data)

Here is your opportunity to save on the medications you and your family need through the **Way2SaveRX** prescription drug discount program. This prescription assistance program is **not insurance** but can provide significant cost savings at over 54,000 pharmacies nationwide including Wal-Mart, Walgreens, CVS, Target, Costco, Vons, Ralph's and many more.

This pharmacy discount program is offered to you and your entire family at **NO CHARGE**.

The Way2SaveRX card is Easy to Use; simply print your personalized card from the Way2SaveRX website, present the card to the pharmacist along with your prescription and start saving immediately! The pharmacist calculates the discount and you pay the discounted price on the spot, it's that simple.

With the Way2SaveRX program your entire household is eligible to receive:

- Discounts on both brand name and generic medications
- No deductibles or claims forms to complete
- Average savings of 23%, with potential savings of up to 50% (based on national program savings data)
- Over 54,000 national and regional pharmacy chains participate as well as independent pharmacies
- Online price checker and low price pharmacy locator
- Healthcare information and coupons for additional special offers on over-the-counter pharmacy products
- Outstanding customer service – Toll-free 800# to speak with a friendly and knowledgeable Customer Care Representative when they need to ask questions and get answers about their prescriptions

Savings Program

For the millions of Americans who have limited or no prescription drug coverage at all, Way2SaveRX is a lifesaver. Health insurance coverage is not a requirement to use the Way2SaveRX card.

For people who HAVE prescription benefits, the Way2SaveRX card can help anytime coverage is not complete. For example, many plans have high-deductibles, maximum limits or no longer cover certain medications as part of your formulary list – the Way2SaveRX card can still provide savings in many situations.

Award Winning Customer Service

Positively Outstanding Service is our commitment and our goal. The Member Service Specialists are trained to understand the needs and concerns of our cardholders and offer solutions that are right on target to help.

Payment must be made at the time of service in order to receive a discount.

**Pharmacy Discounts are Not Insurance and are Not Intended as a Substitute for Insurance.*

DISCOUNT ONLY-NOT INSURANCE. This program is not an insurance policy and does not provide insurance coverage. Discounts are available exclusively through participating pharmacies.
